## ANNOUNCEMENTS.

**FOR STATE SENATOR.**  
**WHEELER.**—We are authorized to announce SAM WHEELER as a candidate for State Senator to represent this district; subject to the action of the Democratic party.

**COOPER.**—We are authorized to announce Spencer Cooper for State Senator of the district, subject to the action of the Democratic party.

The silver tongue is silent. No more will the eloquence of Wm. C. P. Breckinridge, orator, editor, soldier and statesman be heard in the land. "God's finger touched him" and he sleeps the slumber of eternal ages. At twenty minutes to 12 o'clock on Saturday night last, surrounded by his family, he breathed his last, since which the country at large has been covered with a pall, for, though thousands never had the pleasure of hearing him speak from the rostrum, his fame reached to the furthestmost corners of the created world, and many loved him for his utterances in public and through the press. He was everywhere recognized as the greatest orator of modern times, and as editor of the Lexington Herald he had gained the reputation of being one among the best editorial writers in American journalism. As a lawyer, especially in debate for the defense, he had few equals, and it was seldom indeed that he was found on the prosecuting side. As a soldier he was brave in battle, kind to his comrades, a firm disciplinarian, yet sympathetic in affliction among those under his command. Taken all in all he was "a man"—one of God's noblest handiwork, and we very much doubt if his equal shall ever again appear upon the American stage of public life. Lastly, but not by any means least, he was a warm friend of the writer, and we shall mourn him as though of akin. Peace to his ashes.

This is the last appeal we can make to the Democrats of Breathitt, Owsley, Magoffin, Morgan and Wolfe counties prior to the mass convention to be held at the respective county seats on Wednesday, the 30th inst, and to each and every Democrat we make the appeal that they will well consider our claim in the nomination for State Senator. In asking this at their hands we feel that our faithfulness for very nearly twenty years should have weight. Not only have we been true to the interests of the Democratic party, but to the people of the mountains generally. In our humble capacity as editor of THE HAZEL GREEN HERALD we have championed their cause in all cases and silenced every slander that has been started against them. No man could have done more, and if fidelity is deserving of reward in the Democratic family, now is the time to place it in our case. We are now close to 60 years of age—the oldest man offering for the honor—and we may not live to see another Senatorial nomination. By the time this election comes off we will have served the mountain people 21 years, and surely they can not ask more. We especially implore the Democrats of Wolfe to give us their suffrage on Wednesday next and their unqualified endorsement, if they think us worthy the honor, and should we be the choice of the general convention we promise to faithfully fulfill the duties of the office to the extent of our ability. We have been neither physically nor financially able to make a canvass of the district, and are, therefore, dependent upon our friends absolutely. Hoping that they may be as true to our interests as we have ever been to theirs, we submit our claims and leave the result in their hands, promising whatever the decision to abide it. But we do pray the unanimous support of Wolfe.

## A Runaway Bicycle.

Terminated with an ugly cut on the leg of J. B. Orner, Franklin Grove, Ill. It developed a stubborn ulcer unyielding to doctors and remedies for four years. Then Bucklen's Arnica Salve cured. It's just as good for Burns, Scalds, Skin Eruptions and Piles. 25c. at all druggists.

## GENERAL AND FOREIGN AFFAIRS.

Because poachers have been shooting quail, foxes and various kind of game in the private park of John D. Rockefeller at Pocantico, in Northern Westchester, N. Y., he now has a private armed game warden, who daily patrols his domain of 5,000 acres.

Gen. Stoessel telegraphed to the Emperor that Port Arthur can hold out. He indulges the firm conviction that he will be able to hold out until the Baltic squadron arrives in March, if he is supplied with munitions and stores. The government, the correspondent adds, has instructed its agents abroad to supply Stoessel's requirements at any cost.

Senator F. M. Cockrell, of Missouri, will be appointed by the President to a position on the Civil Service Commission upon the expiration of his term in the Senate, according to a report from a high administration authority. Mr. Cockrell has served 32 years. He is a relative of Mrs. Lou Mize, of Hazel Green, who was herself a Cockrell.

Cotton-picking in Mississippi is practically finished, except in the delta section, where the planters will be engaged for several weeks in harvesting the crop. Except in a few sections where weather conditions were unusually unfavorable, the crop is fully up to expectations, and conservative experts believe that the yield will be equal to that of last year, while others are predicting a shortage.

A Mt. Sterling man taken to a hospital at Lexington, claims he was kicked under the train by a flagman.

## Shot by a Morgan Man.

The Cincinnati Enquirer of Monday says: "George Chase, a private in C Company, Twenty-seventh Infantry, was shot and undoubtedly fatally wounded on the Midway at Ft. Thomas yesterday morning about 10 o'clock by Private W. A. Oldfield, an unassigned recruit."

"The shooting occurred just outside the notorious 'ragtime' saloon that has been the scene of many fights and riots within the past year. The pistol user made his escape, but a good description has been furnished to the police of the three cities and also to Morgan county, Ky. Oldfield's home, Oldfield's brother, Grover Oldfield, is a bartender at the saloon where the shooting occurred, and is locked up at the Newport jail charged with being an accessory."

These must be sons of James Oldfield.

## The Land of Fruits and Flowers.

Lee Gillum and family, accompanied by Arch Rudd and family, all from the head of Yocum, in Morgan county, passed through here Tuesday going to Florida. Mr. and Mrs. Gillum were in a two-horse surrey, and Rudd and family were traveling in two two-horse hacks in which they had tents, cooking utensils, etc., for camping. They were going the Cumberland Gap route, and will locate in Orange county, where Mr. Gillum spent the winter of 1892-3, and improved very much in health. Indeed, his wife said to "our man about town," who interviewed her, that had he not gone to Florida when he did he would not now be alive. Mr. Gillum says it is a fine country, and he was so much improved there that he determined to give it another trial and renew his lease on life. They were well prepared for traveling and camping, and will doubtless get through all right. Mr. Gillum is a cousin of our countryman, Dan Davidson.

Mrs. Perry, wife of J. W. Perry, of Pleasant Run, Yocum postoffice, died on Monday night last. Beside her husband, she leaves four or five children, all of whom are grown.

## Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble. If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail. Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Thrasher Combs was in town yesterday and told "our man about town" that Campton was enjoying a regular Middleboro boom of the palmy days. Five new oil wells will be brought in this week, and three or four derricks are being built to drill new wells at once. At the hotel there is not a vacant room, and all the boarding houses are full to the point of bursting.

Gov. Beckham was on Friday notified that the office of Commonwealth's Attorney of this judicial district is vacant, and Gov. Beckham will be obliged to appoint some one to fill the place. The Lee Circuit Court decided that in the contest between Jim Adams and J. E. Roberts for the place, Roberts had received the most votes, but that it was discovered that he was not a resident of the district. Later—Adams was declared the winner, but lives out of the district.

Wm. L. Kash, son of Mrs. Nanny Craven, is confined to his home and has been ever since the death of his brother, Robert P. Kash. Willie Kash was a few months ago discharged from the regular army, during service in which he contracted chronic diarrhoea, since which he has never spent a well day. He is very thin in flesh, terribly emaciated; in fact, has no appetite, and is so weak that the utmost he can exercise is to sit up for an hour of a morning while his bed linen is being changed. But still the hope is expressed that he may recover.
